

# ORGANIZE A Product Drive

## TIPS FOR SUCCESS

### *Make it Fun*

Consider offering an incentive, or gamifying a competition to get people excited

### *Collect a Variety*

Products come in many forms! We need an assortment of pads, liners, and tampons to distribute to best accommodate everyone's needs.

### *Use Social Media*

Use your network! Tag @MonthliesProject and #PeriodPoverty to connect with others and raise awareness

The  
**MONTHLIES**  
Project.
